

## Lady Captain's Newsletter January 2021

Dear Ladies, I am afraid this newsletter is sadly low on golf content, but hopefully will include some great photos. I am slightly comforted by the fact that although golf is not permitted in lockdown, I think with flooding and snow, we would not have managed to play much anyway. So I thought I would describe January in pictures.

Continuing from Carolyn's December newsletter the duckpond was iced up on January 8<sup>th</sup>!!

The following week saw flooding as a lot of ladies who walk on the Common saw. There was a huge lake on the 13<sup>th</sup> again and I saw water here for the first time ever....Can you guess where??

January 23<sup>rd</sup> saw SNOW and much creative snow making.....

And just because I like this photo....

## Other news

Rosie wanted to let you know that Dawn will be crediting prize monies for the competitions we managed to play in October (such a long time ago).

I am intending to send out the new contact list (titled February) to all the ladies who agreed to share details, so do let me know if your details have changed since you joined.

The Pearson Competition for 20/21 has sadly been cancelled due to the uncertainty of completing all group matches before the end of April.

My lady Captain away day will be at East Herts this year on Tuesday 3 August. More details to follow.

## USEFUL GOLF APP

New England Golf App which can be downloaded, shows one how many strokes one gets or loses on Away courses as well as up to date statistics on one's own Handicap Index. Available from Android or Apple Play Stores “My England Golf” or “MyEG”

## Finally....

Do please have a look at the new Ladies Section website <http://ladycaptainhcgc.co.uk>. It is a work-in-progress. We are still updating the handbook and there is information on Opens and forms you can download.

Ending on a positive note on a symbol of hope. Maybe there is a pot of gold if you can get to the green in 2!!
