- Each club shall play home and away fixtures against all the other clubs in their division/sub-division

- Matches are to be played on Mondays to Fridays only excluding Bank Holidays which are counted as weekends
- The Home Team Captain must offer the Away Team Captain at least three dates to choose from and no more than 2 in a seven day period as soon as possible after the draw has been announced

- Once a date has been agreed by both Captains it cannot be altered unless the course is closed or if both Captains agree that the weather and/or course/travelling conditions are too dangerous for play/travel to the course, provided a suitable replay date is available and can be arranged immediately
- In the knockout stages the Home Captains must contact the opposing Captain no later than the end of the first week of the new round and offer a minimum of three dates for the match, no more than two in the same week.

R7 - Procedure on Match Day

- Players must tell their Team Captain what their Handicap Index is on the day of the match and provide proof of this if required

- Captains must then calculate the Playing Handicap for each member of their team
- Captains must exchange team lists, in rounded playing handicap order, no later than 15 minutes before the agreed starting time of the first match
- No substitutions can be made after the exchange of team lists has taken place
- Should any player fail to be on the first tee within 45 minutes from the time fixed for the first match to start, she will concede a walkover to her opponent
- The visiting team has the 'honour' to tee off first. Thereafter the player who won the last hole tees off first. Only the designated Team Captain may give advice to members of her team but is prohibited from showing a line of putt or going on the putting green. For County and Inter County Finals the team with the 'honour' to tee off first on the first hole is decided by their place on the draw sheet
- All matches are to be played to a conclusion. If playing past the 18th hole any extra holes must be played in the same order they were played from the start of the match with strokes being taken according to the stroke index
- If a player is unable to continue with a match for any reason the opponent will be awarded a walkover
- Following the match the Captain of the winning team should, within 24 hours, email a scan or photograph of the completed official result sheet signed by both Captains to the CPM

R8 - Tees

- All matches should start from the 1st tee. However, if matches cannot start from the 1st tee, the opposing Team Captain should be informed in advance of the match. If both Team Captains are in agreement the match may start from an alternative tee
- All matches should be played off the red tees of the day

R9 - Weather on Match Day

- If play is suspended both Captains must agree a waiting time limit for commencement of play and every effort must be made to play the match that day
- A match should only be abandoned if the course is closed for the remainder of the day or if both Captains agree that the course has become unplayable
- If it has not been possible to complete all individual matches on the day the following procedures will apply
 - Results of completed matches stand and incomplete matches will be null and void
 - The Captains must agree a date when the outstanding matches can be replayed

- The original team can be changed but players must play in handicap order in line with the matches already completed
- No player who played in a completed match may take part in any of the matches to be replayed
- If no individual matches have been completed, the match is declared null and void. It must be replayed at the earliest opportunity with each team free to alter its original team

- Caddies are not allowed in the event of a full or partial trolley ban.

- If a club has a policy that only trolleys with 'winter wheels' are allowed, then the visiting opponents must be informed in advance and the home club should make an equal number of 'winter wheel' trolleys available to the visiting team as they have available for themselves

R14 - Buggies

 - Win by 2 holes = 2 points to winner
 - Win beyond 18th hole = 1 point to winner
 - Disqualification or walkover = 1 point to winner

R19 - Caddies

- Caddies are permitted in the County and Inter County Finals only. R and A rule 10.3 will apply and should be referred to in advance
- Players may not engage a professional, assistant professional or coach as a caddy
- Caddies will be allowed onto the greens but must not delay or put off the opponent in any way

R20 - Trophy

- The County Cup/Trophy and the Inter County Pearson Trophy shall be held by the winning team for one year
- The winning club is responsible for its safekeeping and insurance during this time
- The winning club is responsible for engraving the trophy. The cost for this will be reimbursed from County Funds.

Finals

The County Finals shall be played by 30 June. The Inter County Finals shall be played by 31 July and will be played on a course in each county by rotation, the date and course being agreed annually by the Pearson Management Committee. The venue will not be changed should the home team qualify. The Finals will be a knockout tournament, the order of play being decided by a draw. Once a clear result has been reached, unfinished matches will be called in.
