

TUESDAYS

Tuesday is the main ladies competition day. Most competitions you are drawn for a partner, either in division or an open draw.

| | | |
|-------------------------|--------|----------------------------|
| We have two divisions – | Silver | Handicap 1 – 24/25 (index) |
| | Bronze | 26 and above (index) |

These divisions may be altered during the year to ensure balance between divisions.

If the draw is in divisions the times are usually as follows:

| | |
|--------|--------|
| Silver | 10.20 |
| Bronze | 10.30* |

It is always advisable to arrive at least half an hour before your time *as you could be called earlier depending on the number of ladies playing on that day. Also you need time to get to the tee.

If the draw is Open we have two draws – 10.20 for 18 holes and
10.30 for 9 holes

You will be drawn with ladies of any division.

Other competitions are posted on the notice board for you to add your name to the list, either with a partner of your choice or for a drawn partner.

The white board in the changing room will give information on the following Saturday and Tuesday competitions.

WHEN YOU ARRIVE PAY £2 CASH ENTRY FEE IN THE PRO SHOP. THEN GO TO CHANGING ROOM AND PUT YOUR GOLF SHOES ON SO YOU ARE READY TO GO SHOULD YOUR NAME BE CALLED FIRST.

When you have finished your game and handed in your card, it is usual to stay (with your partner) for coffee or tea with the ladies in the clubhouse but if you have an appointment you may excuse yourself from joining your partner.

IF YOU NEED ANY INFORMATION THERE IS ALWAYS SOMEONE AROUND WILLING TO HELP – SO JUST ASK.
