## **Club and Coronation Foursomes**

Next week we have the Club and Coronation Foursomes. Please can you make it clear if you are entering the Coronation as well as the Club Foursomes ie write on your card you are doing both, or if you wish to only do the Club foursomes, just please write Club foursomes.

Below is a brief outline of the Coronation Foursomes, just taken from the website.

**R&A Coronation Foursomes.** Established in 1953, the unique team event costs only £2 per person and is open to all members of affiliated clubs who hold a current **WHS handicap Index of 40.0** or under.

So, our winning team then goes through to a regional event if the score is competitive enough.

## **SATURDAYS**

Please remember that if you want to play in the Leckie Trophy on Saturday 1<sup>st</sup> May you should have let Tracie Walker know yesterday. If you have forgotten, give her a call, she was intending to do the draw Friday.

## **SUMMER ECLECTIC**

Still time to enter, contact Sue Cooper.

## **VICE CAPTAIN**

I am still hoping that a lady will come forward to be my vice-Captain this year. Please do be aware that except for working out the diary towards the end of the year, there is really not a lot to do this year as VC and we are lucky to have a wonderful committee who help out with all my many queries. There is also never a right time, as a lot of past Captains, and indeed myself, will tell you.

I recently 'attended' an inspiring webinar entitled 'what women want'. There were lots of tips on how to promote ladies golf. It got me thinking again about our Club and how I feel that we, as a Ladies Section, will be the poorer if we do not have a Lady Captain in 2022.

A big **thank you** to Karen Ellam for selling her lovely cards in support of **Youth Talk**. Do take a look if you haven't already, they are up in the Ladies Changing rooms.
