CONSIDERATION FOR THE PUBLIC

Thank you for your support during stage 2.

Your **continued** patience and support is important and we would ask you all:

- Be courteous at all times.
- Please do not play your ball until it is clear and safe to do so.

“If you wouldn't play when a golfer was in range, don't play when a member of the public is there”

- Our course ranger will provide assistance and guidance where appropriate.

Conditions of our use of the common:

The public may not promote or play organised games on the course as prepared by Harpenden Common Golf Club, nor obstruct or interfere with any person lawfully authorised to play organised golf thereon, or play any game thereon.

In turn the club and its members shall not interfere with the use of the common by the public for purposes of obtaining fresh air and exercise.

It is therefore a case of give and take, and a responsibility rests upon us all to preserve and foster good relationships with the Public.
