## **GREAT NEWS FOR THE LADIES SECTION**

Carol Campbell spoke to me last week and said she would be my Vice Captain. She has a very busy summer though with personal commitments and would only be taking over the VC role from September. I proposed it to our Committee and it was seconded. I hope the Ladies Section will offer her as much support as you have all so kindly offered me and I shall look forward to having her as my VC from September.

### **Lady Captain's Day**

The theme for this year is Cocktails. Everyone did such an amazing job at dressing up with the flower theme last year, that I thought you could all rise to the challenge of Cocktails. A sign up, beautifully designed by Glenys, will be going up shortly on the temporary noticeboard in the Clubhouse.

### **Competitions in May, June, July**

### **DRAW BACK TO NORMAL?**

As you can see from Competitions, there are a lot of fun sign ups in June and July. Our first draw post June 21<sup>st</sup> is therefore not until 20<sup>th</sup> July. The Committee proposes that we do a draw in the main Clubhouse (a bit more roomy than the changing rooms) and that we maybe leave a little gap between doing the Silver and Bronze draw to minimise numbers in the clubhouse and to minimise the time bronze ladies have to wait around, you will also be able to have a coffee before playing too!! Please let me know your thoughts re 'getting back to normal' in this way.

### **OTHER NOTICES**

The Eclectic box is up in the changing room. Please can you make sure you sign the book and card before you go out and get a signature from your playing partner after you have done your round. If you had a great round and didn't declare it before you start it is sadly hard luck.

The Ginny St John Glew Knockout will not happen this year. It would all be starting a bit too late this year. The draw for the Summer knockout will be done shortly and will be up on the Clubhouse noticeboard.
