## **Reminders to help with Card Checking**

The score recorded on the card (columns A/ Points) should be the player named on the card as Player A.

Please check you are using the correct Course handicap using the charts outside Pro Shop. If incorrect the PSI will not calculate the score you are expecting when you enter number of shots.

It would also be helpful if you included your Playing Handicap eg 95% for Individual Stableford

## **Next Week's Competition**

Presidents Trophy a 4BBB competition. It's a sign up. Saturday ladies have already booked tee times online. We have reserved tees on Tuesday 11th and tee times will be sent out by end of the week.

In Fourball Stableford your Playing Handicap is 85% of your Course Handicap.

If you are available to play on Tuesday and happy to be a reserve then please contact Denise Van Der Welle.
