

LADIES NOTICE JUNE 14

Lady Captain's Day

I am looking forward to seeing all those playing on Tuesday.

The format is an individual stableford with an alliance. We have played these before. Gill Foster told me the history behind this competition. Before she was Captain, it was an individual stableford competition. She felt it would be nice to have some fun on Lady Captain's Day so she incorporated the Team event. However the winner of the Individual Stableford competition, does get their name on the honours Board, last year it was Sheila Stewart.

So.... FORMAT for the day...

Keep your individual stableford scores but get one member to do a team card. In the Team event, 2 out of 3 scores on all holes except for the Par 3s when all 3 scores count.

New for this year..... Joker hole

Discuss with your team which hole you think you will play best (**not a Par 3 hole**). Tell the starters before you go out which hole you are playing your joker. Double the points when you have played that hole. EG 7th you got 4 for 3 points and 5 for 2 points. You would have 5 points, which you can then double to 10.

There are Team prizes as last year and Nearest the pin 2nd shot on 7th and on 18th hole.

Please also remember to do the Chipping Competition. There is a prize for that too!!

David Henson is taking photos, so please get your photo done as a memento.

There is also a Raffle in support of my charity. If you can't make the day and would like to go in the raffle, email me before midnight on Monday and I will put you in the raffle. Usual price £1 a ticket and £5 a strip.

Captain's Day July 3rd

I am putting a sign up on the Lady's Noticeboard for volunteers to help at the Half way house on the above day and also for baking contributions.

Lady Captain's Away Day August 3rd

Sign up on Noticeboard in the Changing room
