I am getting prints of the prize giving which you will be able to pick up from the changing rooms next week.

Statistics for your interest. Favourite holes for the Joker were 2nd and 6th both used 4 times and 11 and 15 both used 3 times. The highest joker score was 12, the average was 8.

We raised £405 in the raffle. There are still a couple of unclaimed tickets on prizes which I will leave in the locker room. If they are not claimed in a week or so, I will put them back for our next raffle.

We have the final cards for the Presidents Trophy. I am going up tomorrow to check them and will then be able to give you the results finally!!!

Karen, Jo Read, Frances and Di Shepherd represented the Club at the London Foursomes at Stocks Golf Club. They all enjoyed the game, despite the heat. You can see who played and where they came if you click on this link....

You have no doubt received the note from Craig re changes to the Captain's Drive In, Captain's Day and the Watling View Charity Day.

Revised dates:

Captains Drive-In – 16:00 Sunday 25th July.

Captains Day - Saturday 21st August

Watling View Charity Day – Friday 27th August

Please note the Millennium Trophy Saturday 26th June will continue, however it will now be a two Tee start commencing 7:30 am, replacing the original shotgun start 8:30 am. No prize presentation. We asked for it to be later, I am not sure about a 7.30 am start!!!

We are still intending to run the Jubilee, details to follow. I am also in negotiation with Craig re our Invitation day.

So thank you again to all who helped on Tuesday. Malcolm and Stan were very impressed with all the information Denise gave them for the card checking, but they said they still had to adjust some scorecards. **So please do allow time before you play** to make sure you have the correct handicap index, course handicap and then playing handicap depending on the competition. It really makes the card checkers job much easier. On Tuesday we are playing the PING. It is a 4BBB. You need to check your handicap index, look on the board for your course handicap and then take 85% of your course handicap which is your playing handicap for this competition.

A last thank you to the Ladies Section
