It was a hard day with showers in the morning and humidity in the afternoon. The rough was particularly tough, but if you hit the fairways the ball did run. Well done to all who played today.

Particular congratulations to Sophia for adjusting to our narrow course after her morning round and setting a course record in the afternoon, finishing 3,3,3. She has just come back from the English Girls stroke play championships at Malton and Norton last week where she came 7<sup>th</sup> in the under 16 event and 17<sup>th</sup> in the Under 18s. If you haven't worked it out yet, she now plays off +1!!!!
