### **Other Notices**

Next Tuesday is a qualifying Stableford drawn in divisions.

In response to ladies' feedback Jane Howe will resume announcing results and notices after play next Tuesday. The weekly email will also continue.

It would help card checking if you notice when entering your score on the PSI that, if it is a different score from the one on your card, you work out whether the card is wrong or a number that has been entered onto the system needs changing and make the necessary amendments before completing the PSI entry/handing your card in.

If you cannot work out why the score is different, please tell card checkers that there is a difference.
