Other Notices

Changes to the Red Tee SI's

We will be changing our stroke indices for our Red tees. The new arrangement is that recommended by England Golf based mainly on the rating of each individual hole. Consideration has also been given to positioning of the strokes so that they are evenly spaced for match play and low strokes are not at the beginning or end of each nine.

New score cards will start being used when current ones are used up and the changes have been formally adopted by EG. We will only update the SI on the EG platform for WHS when the new cards start to be used.

We expect the new cards to start being used by the end of November and we will of course keep you updated as soon as a changeover date is agreed.

We will use the **current score cards** and current SI on **13th and 16th November** for our Waltzing Matilda competition.

On order are new plates for the tee markers that will not only show the new SI but yardages that match the score cards.

For information the new SI will be put on the notice board in ladies changing room.

The Club is holding its annual MacMillan Coffee morning on Tuesday 23rd November '21 from 10.30am. Cake donations would be very welcome. Please contact Beth in the office if you would like to make a baked contribution.

We have also been asked to pass on the sad news that Paulene Redington has died. Funeral details etc will be passed on when we have them.

Next Tuesday is the Waltzing Matilda Signup Competition. See below tee times taken from the signup sheet
