

January 3rd 2023

Happy New Year, and thanks to the brave souls who have played golf. Also, thanks to Carol for 2022

Welcome to 2023, and what an unusual year it will be, more Lady Captains than Prime Ministers maybe.

For those of you who missed out on my year, it was 2012, London Olympic Year, and the other memorable event being the demolition of the old club house. However we carried on, and even had our AGM in the locker room.

I thoroughly enjoyed my year, and am delighted to help out for my month, and it is a chance to wear my jacket again although the date on the badge is wrong.

The Calender girls who were at the drive in on January 1st have agreed that the charity of the year will continue to be Hospice Care, especially since the Watford and St Albans Hospices are now under one umbrella.

So here goes, lets hope for a good year

The Yellow Ball Competition on January 17th combined with a 2 scores out of 3 competition list is now up, as this is only 2 weeks away and if you are not planning on going up to the club to sign up, I can do it for you if you let me know asap, and especially by Monday 10th. If you do not have a team, of 3 organised I can add your name and make up teams.

Hope to see you all on the golf course before my month is over.
