

Tuesday 17th January

Well at least we played golf this week, although thank you to the ladies who came up last week for a coffee.

So, a lovely frosty morning, and also thanks to the individuals who suddenly found themselves in different teams.

Results:

Yellow Ball Competition

1 st	Karen Ellam, Tracie Walker and Sheila Stewart	36 points
2 nd	Ginny St John Glew, Linda Nicoll and Carolyn Butterworth	30 points

If only I had not lost the yellow ball!

Played at the same time 2out of 3 Alliance

1st	Karen Ellam, Tracie walker and Sheila Stewart	75 points
2nd	Frances Kipping, Gina Elliot and Sue Prince	72 points

It was later discussed at the committee meeting that if two competitions are played at the same time, as this was, it will in future only be possible to win one prize, as is the case with the Spring and Autumn Meetings.

Other news

Please always check the white board for the competition details as it will say at what percentage of the course handicap the competition is to be played.

Also, if you need to check your actual handicap on the day, you can tap the computer in the lobby, put in your name and it will give your current handicap.

Whilst carrying is being encouraged it is back to 6 clubs for those carrying and those using a trolley, not my generous 6 clubs and 1 putter.

It was also decided that this update would be printed out and put on the noticeboard the picture of the current captain, please tell anyone who does not have access to a computer this so they can read all about the events.

See you next week for golf or at least a cup of tea.

Frances
