

Ladies Notices – 14 June 2023

As I recover from Tuesday's Summer Meeting, and tidy up the loose ends, finalising the budget ready for Carolyn, clearing out all the left-over paperwork and other items that appear to have been on my dining room table for the last month and getting ready for the remainder of June, I can only reflect on how the month seems to be flying by.

Firstly, I would like to put in writing my appreciation for all the hard work that various members of the club (greenkeepers, catering, and bar staff), the ladies committee and other ladies (Pat, Barbara and Ann in the HWH). Not forgetting Artur and Barry (starters) and Malcolm and Stan with the card checking in making the day as successful as it appeared to be. I have also been heartened by the number of emails I received from ladies expressing their enjoyment of the day and the attention to detail.

Unfortunately, the only thing I could not control was the weather and I hope that those ladies who suffered in the heat are now recovered and able to enjoy their golf for the rest of the month. It is always better to play in dry conditions, rather than wet, but we all have our tipping point and I fear that Tuesday's temperature was perhaps a degree or two higher than was comfortable, even for those of us who prefer the heat.

Some of the ladies have asked that I put all the pictures of the PLCs in the locker room. That has been done and you can now see what we all looked like as youngsters.

Thank you also for organising yourselves for the Section Photo (that was quite an achievement) and thanks also to Graham Howe for taking the photo. It is being edited and will be available shortly.

Announcements

A marker is required for the alternative day ladies on Saturday 17 June to enable Kelli and Mandy to play their Ping match. Please contact Tracie Walker (tracie.walker076@gmail.com) if you can assist. Tee time 9.00 am. The marker can play a casual round if she wants to.

The next **Nine 'n' Dine** will be at a later start time of **5pm** on Wednesday 21st June. We hope this time might better suit those working from home. This is a very social 9 holes of golf and all are welcome to sign up on the Club V1 app or through the Pro Shop.

The dining will be from around 7 pm and currently planned as a Mexican theme buffet. There will be a draw the day before and exact tee times and groups emailed to everyone playing.
Any special dietary requirements should be sent to the office before the date.

Ginny St John Glew Trophy and Plate

The draw for the second rounds for the Trophy and Plate competitions has now been made. Details are on the Ginny notice board in the locker room. The next round should be played by 24 July.
