

Ladies Notices – 20th June 2023

As we move further into June and the longest day (which by the time this notice is sent out would be behind us). We can look forward to even more golf at the Common with plenty of matches and competitions to play and whilst we would not like the weather to remain at its current high levels, it is perhaps preferable to play in dry conditions rather than wet and cold.

My 14-day forecast weather App tells me that it is going to remain dry for the remainder of the month and we can only keep our fingers crossed that it continues like that for our Invitation Day on 4 July.

Now on with the announcements:

1. Draw for the Jubilee was made on Tuesday and by now all those ladies who have signed up for it should have received an email, confirming their groups and tee times. My thanks to Carol and her counterparts from Hammonds End for their hard work in the organisation. The format etc will be included on the email.
Please make sure you have sufficient money on your card.
2. **Invitation Day – 4 July.** There is a list on the desk in the locker room for contributions to the HWH. It is appreciated that we have only recently asked for other contributions of cakes etc, but Georgina (July LC) would really like to put on a good show and I'm sure we can fully support her with that. Tea and coffee will be served prior to play. Any ladies not playing with guests can roll up after 10.30 am for general play and sort themselves out into groups/pairs etc.
3. Some of the ladies requested that a collage of all the pictures of the Past Lady Captains was put in the locker room, that has now been done in glorious technicolour. There is also a print of the

section photo and if anyone would like a copy, please let me know and that will be provided.

4. The list for the Hudson Trophy (Ladies Championship – 36 holes) is on the notice board in the locker room. **5-day members can play and are encouraged to play.**
5. A volunteer for the draw on 18 July is required. The list is on the notice board in the locker room.
6. **REMINDER** – If you are playing a casual round for handicap purposes –please register either in the Pro Shop or on the system prior to play and put your scores onto the computer when finished. Please **DO NOT** put your cards in the white box under the computer, they can be left either on the desk or put in the locked drawer in the locker room.
7. I have asked Di Shepherd to send our best wishes to Gill Foster, who is feeling a little under the weather at the moment. I have also spoken to Jean Smith, who is now on the mend (albeit still with a black eye) and Jean hopes to join us again soon, when the shoulder feels more comfortable.
8. The Open Team Competition will be open on ClubV1 for signing up this weekend to play on 23 July. It is teams of four in alliance format and any combination in a team. Two tee start. Golf and BBQ then watching final rounds of The Open on the big TV in the clubhouse.
9. The ladies scratch team are playing away at Letchworth on 24 June. We wish them well for this match.
