

LADY CAPTAIN'S NEWS LETTER

Last week of being Acting Lady Captain and I have picked up some of my computing skills along the way which I have not used for some years now. When I was working I used to teach Word and Excel but you quickly lose it when you retire.

I have to admit that I was a tiny bit apprehensive about being Acting Lady Captain after being Lady Captain 14 years ago but quickly got into the way of it again. It is now time for me to pass the baton over into the capable hands of Gillian Hanson a fellow Scot.

Gillian will do a splendid job and wish her well

AMENDMENT TO PRESIDENT'S TROPHY RESULT

This amendment is due to the number of cards submitted for a major trophy and is an administrative error on behalf of the Ladies' Committee.

There are records that go back as far as the 13th Century for other stick and ball games. In 2014 ladies for the first time were allowed to become members and Princess Anne was one of the first lady members.
