

Ladies Captain's NEWSLETTER 19th September 2023

We were fortunate with the weather today if a bit windy. Before the results of the competition a few notices,

Two finals were played last week.

In the Summer Knockout the finalists were Gillian Hanson/Nickie Hardie versus Sue Prince/Carolyn Butterworth - the eventual winners were Gillian and Nickie. Well done.

The finalists of the Ginny St.John Glew trophy were Gillian Hanson and Tracie Walker. This time Tracie was the winner. Congratulations.

Sue Cooper needs one more player for our friendly match at Knebworth on the 28th of this month. Please contact her if you are available.

The sign up list for the Monty Marshall trophy against the Seniors is on the notice board. Can you please sign up before 28th Sept. which is the closing date. Competition played on the 6th October.

Our Open is on the 3rd October. Everything is in place except we could do with a few more food items for the half way house. If you are able to help could you please add your contribution to the list which is on the desk in the changing room. Many thanks.

I played with the 9 hole ladies today which was very enjoyable (except for my Golf) I am happy to say that 15 ladies came up not all played golf but it was nice to see so many of them and have a chat.
