

Lady Captain's Notices for 28th November 2023

Well, it didn't rain today, the rain gods took the hint and went elsewhere!! It was very cold, not something we have got used to yet, but plenty of time to experience more cold days. Only 16 ladies braved the weather, for a singles match play competition.

Captain's Team (Ginny)

3 wins

Vice Captain's team (Sue)

3 wins

2 matches halved

So it was DRAW- well done to all who played

Notices

A very happy special birthday to Jane Howe, thank you for the drinks.

Friday 1st December

The men are hosting the Society of Herts Golf Captains on this Friday morning. Just to let you know that some of the men will be using the Ladies Changing room. As such, it would be best to avoid using our changing room if you are up at the club on Friday morning.

Remmington Plate Thursday 14th December

A Delaney Texas Scramble, first tee at 9.00am. Two more ladies are needed, please speak to Sue Cooper **ASAP**.

Next Week – Sadie Facer

If you are playing, you should have signed up by now. For those who are not playing here is the afternoon timetable:

Welcome drinks	2:30pm
Entertainment	2:45pm
Meal served from	3:30pm

As the entertainment is before the meal, we would appreciate you arriving promptly for the welcome drinks as we need to be seated before it starts.

Well, my acting Captaincy has come to an end, and contrary to my prediction a year ago, we were able to play every Tuesday – some of those days were not pleasant playing conditions!!! I am passing the baton onto Felicity, so good luck and hope we do get our golf on your Tuesdays.

Ginny – Acting Lady Captain for November
