

Notices 23rd January 2024

It was lovely to see so many of you in the clubhouse today socialising and catching up - fingers crossed that we may have a dry Tuesday next week to welcome back Sue in her Captains year.

Three Ladies played on Saturday however due to the horrible weather only two ladies braved the rain to play today.

Results of the NQ Stableford

1st Gillian Hanson with 35 points
Taken on the back 9 from

2nd Carol Campbell with 35 points

3rd Kelli Seagrave with 32 points

Congratulations all.

Our next competition is 3 Clubs & putter which should be fun in this weather! This is an Open Draw.

The Social committee are busy planning events for us to enjoy this year including;

Feb - Quiz night – reserve list open
March - Bistro night
April - Masters Weekend Sat & Sun - golf challenges & competitions
Comedy night with Curry *TBC*
May - Quiz night

Please look out for details around the clubhouse.

As we approach the end of January, I find it encouraging to see the evenings getting very slowly brighter – something to ponder – Is the Moon more useful than the Sun, since the Moon gives us light at night when it is dark and the Sun only gives us light during the day when it is already light out? – comments on a post card.

Enjoy your week,

Kind regards

Sheila
Vice-Captain
