

Ladies Notices for 6th February 2024

A select number of ladies braved the incredibly windy conditions to play in our match play competition today. The Vice Captain's team was triumphant but generously shared their prizes of boxes of chocolates with the gallant losers.

Roll-up WhatsApp Groups

In order to make our ladies section more inclusive for newer members and inform all our players about the opportunities which exist to play with other groups of ladies, we would like to provide information on the roll up groups which take place and are open to all. I would be grateful if the main organiser of each group could email me with information on their group – day of the week, meet time, contact details etc. – and we will publish the list on the changing room noticeboard. Many thanks.

Gill Peters Best Stableford of the Year

This trophy is open to those ladies who are aunts, but **not** grandmothers. If you wish to be considered for this trophy, please send notification to Gill Taverner of your eligibility. Thanks to Frances Kipping for her suggestion.
