Lady Captain's Day June 11th

Now just 2 weeks away. The sign-up sheet is filling up, which is great to see. Just a reminder to please bring in a raffle prize, which you can put on top of the lockers on the right for the time being. Just a little hint that you might like to mug up on recognising flags.

Mixed competitions

We are looking for ladies to play in the Harry Hobbs Texas Scramble on Saturday 22nd June. The teams are made up of 2 men and one lady. The sign-up sheet is on the board in the entrance lobby.

We are also looking for two players for the **friendly match away at Apsley Guise on Thursday 6 June**. If you can play please contact Carolyn on carolynbutterworth475@btinternet.com

It has been brought to my attention that several ladies who normally support this day are unable to come. Could you please let me know as soon as possible if you are intending to play with your invited guest. If we have a very low sign-up we may have to postpone this event until later in the year.
