## **MEDAL**

### **FORM OF COMPETITION:**

18-hole stroke play

**ENTRANCE FEE** Of the day

### **PRIZES**

Shop or Bar Credit (value according to the number of entrants) in divisions.

### **DETAILS**

Medals are run on Tuesdays and on Saturday or Sunday (primarily for the Saturday Ladies).

The results of the two competitions are combined to award prizes when possible.

A Lady deciding to play in both competitions will have her first card used when the prizes are calculated. There will be no fee for the 2<sup>nd</sup> competition. Both cards will count for handicap.

If an additional competition is being played on Tuesday that was not available on Sat or Sun e.g., a trophy then the situation remains the same for the medal, but the Tuesday card will count just for the trophy. If a fee applies for the trophy that should be paid on Tuesday.

If either the weekend competition or the Tuesday competition has to be cancelled and is not rearranged, then prizes will be awarded for the remaining competition.
